

The City of Venice
2018 Holiday Parade
Saturday, November 24th, 7 pm

The City of Venice Annual Holiday Parade continues to be the traditional kick off to the Holiday Season. This year we celebrate the 43rd year for this family orientated community event. Enclosed is an application for your participation.

As we strive to make each year's parade fresh and exciting, we ask that you be creative, be festive and remember to have your unit decorated in a holiday theme.

Please read the list of rules included with the application. The Parade Committee will evaluate all applicants for acceptability and notify the contact person if a problem is noted. Also, please make those participating with your unit aware of the rules, example: NO THROWING CANDY, ETC., FROM VEHICLES, NO ALCOHOL IN THE STAGING AREA.

It is essential for you to include a detailed description, especially length and height required in staging area and a brief written narrative appropriate for the TV broadcast. We encourage you to involve children on your units and use lots of lights as some of the areas of the parade route are dark. Music is encouraged to add to the holiday spirit. Please fill out the application legibly and completely. This information is necessary for proper placement in the staging area.

Applications must be returned by email (vhparade@verizon.net) or by mail to: 1435 E. Venice Ave., #104-175, Venice, Florida 34292 no later than November 11, 2018 to ensure placement in the parade and so staging information can be mailed or emailed to you in time. If email is not available, contact us to make arrangements to submit. Participants will receive their staging packets via email (if a legible address is supplied) or by U.S. Mail prior to the parade date.

Any questions or concerns can be directed to Venice Holiday Parade Co-Chair, Sue Hebert at 941-488-8780.

Thank you and we hope to hear from you soon.
